

Online Live Skill Development & Tutoring Programmes for Kids

Most children know the answers — but freeze when it's time to speak?

**DID
YOU
KNOW?**

- 7 in 10 children lack **public speaking confidence**
- **Handwriting issues** can affect exam performance
- Creative writing can boost **emotional intelligence**

At Active Kids, we noticed this too... and we created programs to change that!

About Us

Founded in 2020 – Now reaching 500+ students across 5 countries.

Active Kids is an online academy (ages 4–14), dedicated to empowering children through fun, interactive learning that builds confidence, communication, and essential skills.

TARANNUM SHEIKH

Founder, Author, TEDx Speaker, Educator

With over a decade of experience across India and the UAE, Tarannum Sheikh has touched thousands of young minds through her work as an educator, author, and speaker.

She has delivered 100+ powerful speeches and designed learning programs that don't just teach — they transform. Her belief? "Confidence isn't taught. It's built — one voice, one child at a time."

Through Active Kids, she brings her passion for empowering children into every class.
